My name is Bryan Hanna and I'm the Superintendent/Principal for the Grandview-Hopkins I.S.D. I have thirty-seven years experience in education and have worked at

every level in the public school system. I have twenty-one years experience as a campus administrator and sixteen years as a classroom teacher. I hold a Master's degree in Education from West Texas A & M University and earned my Superintendent's certification in 2000. I'm a highly motivated individual that believes that there is no better way to spend my life than working with today's children.

I want to take this opportunity to tell you how much we appreciate the chance to educate the children who attend Grandview-Hopkins Elementary. I truly believe we have an excellent teaching and support staff that can provide a quality education for every student that walks through our doors. We invite you to visit our campus at any time and explore the educational advantages our school has to offer.
